

Lake Erie History and Views

NEWS RELEASE

Lake Erie History and Views

A book by Tom Langmyer

From the dust cover: Thirteen million people live within just a few miles of Lake Erie. From an historical perspective, it is the lake that brought them here in the first place. Lake Erie is sometimes ignored or forgotten. Lake Erie: History and Views brings this natural wonder to center stage, for she is the center of the region.

Author, printer pair up to publish Lake Erie book

CHICAGO -- The Blue Water Group, LLC, publisher of the book "Lake Erie: History and Views," written by author Tom Langmyer, has entered into an agreement with Evangel Press of Nappanee, Ind. The partnership includes the printing and distribution of the 297-page book highlighting the Lake Erie region. The book, which is complete, will be printed and ready for sales and distribution by the holiday season.

The Blue Water Group, LLC, a Missouri Corporation, is publisher of "Lake Erie: History and Views."
